## Guidelines and Application for Fall 2021 Award

---

Part of the Indian Pueblo Cultural Center's mission is to preserve and perpetuate Pueblo culture, and a key element of this is investing in our youth. To better support the Pueblo leaders of tomorrow, we have established the Bob Chavez Scholarship for the Arts.

This scholarship is named in honor of Manuel "Bob" Chavez of Cochiti Pueblo, who dedicated 50 years as a volunteer teaching art at St. Catherine's Indian School. Many students were able to explore Native arts and feel at home in his classroom.

With the generous \$5,000 unrestricted donation received from the Dume Wolverine Foundation, the IPCC is able to continue Mr. Chavez' legacy of encouragement by offering \$2,500 scholarships to two recipients in Fall 2021 who are pursuing visual arts in higher education. (Please see eligibility requirement below)

The Dume Wolverine Foundation has agreed to let the IPCC match the \$5,000 donation to raise a total of \$10,000. We will then award an additional \$2,500 scholarship to each recipient in Spring 2022. This money will help offset some of the initial costs of higher education (e.g., books, housing, tuition, supplies).

The recipients of these scholarships will be selected based on financial need, an essay addressing their purpose in pursuing arts, grade point averages, and a portfolio featuring their works of art.

The matching funds for this scholarship are gathered through donations. If you are interested in contributing to this scholarship, please call 505-212-7051 or visit our donation page [indianpueblo.org/donate](http://indianpueblo.org/donate).
